

INFORMATION ON ECHO ACTION PARTNERS

Organisation legal name	Energy Solutions		
Organisation short name	ENSOL		
Legal address	WHEEC, Birchen Grove		
Town	London, NW9 8RY	Country	England
Internet homepage	www.energysolutions.org.uk		
Number of employees	9		
Legal status	Private Limited Company with Registered Charity Status		
Organisation Mission	<p>The aim of Energy Solutions is to promote the sustainable use of energy in buildings, industry and transport in North West London generally and the London Borough of Brent in particular.</p> <p>This benefits the community by providing warmer homes to all households, lower bills for households and businesses, a healthier living environment, and the minimisation of environmental damage caused by energy use.</p>		
Main organisation activities in relation to ECHO ACTION Project	<p>The aim is achieved by researching energy use in North West London, raising awareness of sustainable energy issues in the community and by the provision of specific advice services designed to enable the uptake of energy efficiency measures and renewable energy systems, both for buildings and vehicles. ENSOL also operates at a pan-London level in various fora. ENSOL has been working in the field of household energy consumption and lifestyle change throughout its existence.</p>		
Role in the project	<p>Leader of WP6 which involves dissemination of activities both local and trans-national, Ensol will contribute to the creation of an ECHO ACTION Observer Cities' Network, provide information for the update of the project website and production of a DVD and a brochure for dissemination of project results.</p>
